## Work Experience

### Current Position:

Forex Varsity, Table View

### Course Facilitator/ Mentor Sales/Marketing

November 2016 – Present

### Job Description:

My current responsibilities are to facilitate our Professional Trading Courses and provide mentorship to our students. I also correspond with prospective clients either face to face or telephonically to provide them with information about our courses and to answer any questions or concerns they may have. I design and compile our Daily Newsletter using HTML and CSS which is emailed out to over 250 students. This includes technical analysis on 19 different currency pairs and commodities. During my time here I have also written and designed training manuals and eBooks. I have now worked my way up to 2<sup>nd</sup> in charge of this National based concern.

---

### Position:

July 2009 – November 2016

### Independent Herbalife Distributor

*Winner of 6 Performance Awards  
(International Vacations)*

### Job Description:

I ran my own International Herbalife Business which involved general admin, retail sales, follow up and support to clients, as well as recruiting, training and motivating other Independent Herbalife Distributors. Other tasks included 1 on 1 Wellness Profiles with some of our clients, running an online store, helping and supporting clients and other Distributors via telephone/email. I also designed my own company website

---

### Position:

July 2007 – 2017

### Fitness Trainer

HiiT24 Fit Club, Kenilworth  
Xbody Fitness, Claremont

### Job Description:

My role as Fitness Trainer was to design and implement training programs for individuals and group classes utilising free weights and various other gym equipment whilst ensuring correct technique. To carry out frequent fitness assessments for clients.

---

### Position:

July 2002 – April 2007

### Booker

Character Castings,  
Constantia

### Job Description:

Liaising with clients and booking background extras and featured artistes on television commercials and film shoots according to the relevant briefs. Sending people to casting auditions. Recruiting new talent into a busy casting agency. Updating and maintaining Artiste details and photographs where necessary.

---

**Position:**

2001

**Junior Programmer**

Clyde Computing,  
Wimbledon, UK

**Job Description:**

Working on a Laboratory Information Management System database supplied to companies such as KP, Bowman Ingredients, NHS Public Health Lab Services, and Birds Eye Walls. My duties included the writing and documentation of methods including reports, batch process and import/export routines, as well as general system maintenance such as testing, updating, and report and form design.

---

**Position:**
