<Work Experience/>

Current Position:

Course Facilitator/Mentor;
Sales/Marketing;

November 2016 – Present

Forex Varsity;

Job Description:

<!-- My current responsibilities are to facilitate our Professional Trading Courses and provide mentorship to our students. I also correspond with prospective clients either face to face or telephonically to provide them with information about our courses and to answer any questions or concerns they may have. I design and compile our Daily Newsletter using HTML and CSS which is emailed out to over 250 students. This includes technical analysis on 19 different currency pairs and commodities. During my time here I have also written and designed training manuals and eBooks. I have now worked my way up to second in charge of this National based concern. -->

Position:

Independent Herbalife Distributor;

July 2009 – November 2016

Winner of 6 Performance Awards;
(*International Vacations*)

Job Description:

<!-- I ran my own Independent Herbalife Business which involved general admin, retail sales, follow up and support to clients, as well as recruiting, training and motivating other Independent Herbalife Distributors. I also designed my own company website. -->

Position:

Fitness Trainer;

July 2007 – 2017

HiiT24 FitClub,
Xbody Fitness;

Job Description:

<!-- My role as Fitness Trainer was to design and implement training programs for individuals and group classes utilising free weights and various other gym equipment whilst ensuring correct technique. To carry out frequent fitness assessments for clients. -->

Position:**Booker;**

July 2002 – April 2007

Character Castings;

Job Description:

```
<!-- Liaising with clients and booking background extras and featured
artistes on television commercials and film shoots according to the
relevant briefs. Sending people to casting auditions. Recruiting new
talent into a busy casting agency. Updating and maintaining Artiste
details and photographs where necessary. -->
```

Position:**Junior Developer;**

May 2001 to July 2002

Clyde Computing, UK;

Job Description:

```
<!-- Working on a Laboratory Information Management System database
supplied to companies such as KP, Bowman Ingredients, NHS Public Health
Lab Services, and Birds Eye Walls. My duties included the writing and
documentation of methods including reports, batch process and
import/export routines, as well as general system maintenance such as
testing, updating, and report and form design. -->
```

Position:**Branch Manager;**

April 1998 – February 2000

Titles, UK;
